

Cavendish Park
Luxury Care Home

www.cavendishparkcarehome.co.uk

The warmest of welcomes

lets you know you're in the right place,

your new home 

Welcome

to

Cavendish Park luxury care home

Hello,

I joined Cavendish Park at the very beginning of our exciting journey and I am so very proud to be part of such an amazing team and our wonderful Cavendish Park family.

I've been part of the care sector for almost 20 years and throughout that time I've learned how emotional and important the decision is when looking for a new home for yourself or a loved one.

With compassion and experience, I'm always on hand to offer support and guidance.

I look forward to welcoming you to our beautiful home.

mel

General Manager

Our Care

We provide exceptional, all-inclusive, residential, nursing & dementia care, and a place where loved ones can join us for short-term respite*care to rest and relax.

A personal approach

Our highly experienced teams provide a personalised & collaborative approach to care so loved ones receive the care and support that's truly unique to their continued needs & requirements.

Respite Care

The perfect opportunity to rest and recover or to simply enjoy a luxury break.

Surrounded by happiness, kindness, and friendship residents can experience life in our Evesham home and as part of our Cavendish Park family.

*Subject to availability

Residential Care

Within Windsor, our residential community, life is as vibrant and stimulating as it is peaceful and rewarding.

A wonderful home where loved ones continue an active, independent lifestyle with the care and support they need whenever it's needed.

Nursing Care

Our community on Kensington is solely dedicated to caring for those who have simple and progressively complex care requirements.

Our qualified Nursing team care with a personal and collaborative approach to encourage independence and choice and will always ensure dignity and respect.

At Cavendish Park, we are trained in Soul Midwifery to lovingly ensure those who are facing end-of-life, have a dignified, tender and peaceful experience.

Dementia and Memory Care

We are renowned for our incredible dementia care & our memory care community, Chatsworth.

A place where loved ones living with a dementia thrive, engage, and continue to live life as the person they always have been.

Residents are empowered by trusting relationships filled with love and kindness, and throughout our community, there is always laughter.

Every element of our memory care floor has been so carefully designed, from spacious corridors to a safe, heated outdoor terrace complete with potting shed, a state-of-the-art sensory room with a virtual driving experience, and a unique Scullery room so loved ones are still able to feel that sense of achievement.

Continue Being Me

Ensuring that our home feels like home from the very beginning is so important.

We embrace cultures and beliefs. We are dedicated to learning and improving our knowledge so we can support and engage in the past, present and future of the lives of our residents.

Life in our Evesham home is rich and filled with happiness, through diversity and inclusivity, we will empower loved ones to feel safe and happy and to always

'Continue Being Me'

Cavendish Park
Luxury Care Home

Cavendish Park *a place to call home*

Throughout our award-winning, all-inclusive, luxury care home, there is a feeling of love, friendship and home.

www.cavendishparkcarehome.co.uk

Every bedroom is light and spacious. Beautifully decorated with luxury furnishings, each bedroom benefits from an en-suite wet room.

Through french windows, our garden rooms lead onto private patio areas overlooking landscaped gardens.

Elegantly furnished to the highest standard, loved ones are encouraged to bring personal items to create that sense of home and belonging.

The staff cannot do enough to ensure your relative is happy and well looked after. Everyone is willing to go the extra mile to make sure they are having their best life possible.

Karen

Wine and dine.

We take great pride and care in the dining experience enjoyed by our residents.

Our menus evolve throughout the year using seasonal produce and local suppliers.

Our Head Chef is highly experienced and passionate to create well-balanced, nutritious, and freshly cooked meals catering to the individual needs and wellbeing of our residents.

On each floor, there's a delightful cafe and restaurant where loved ones enjoy dining together and meeting for coffee and freshly baked cake! And for those special occasions, when family and friends come together, we also have a stylish and contemporary private dining area.

Relax

Our bistro and bar is at the heart of our home. Beautifully furnished, it's the perfect place to pause, relax and enjoy an early evening drink or morning coffee together.

or a selection of Sandwiches

dessert

Lemon Drizzle Cake

Cavendish Park *where life is beautiful* ♥

No expense has been spared to provide comfort for our residents in our Evesham home. Communal living areas are dressed in luxury and elegance.

There's a stunning cinema room for an afternoon film or watching a sporting event with friends. A music room and cosy snug with a library allow for a moment of quiet reading or a game of chess with our Activities team.

Our residents are supported and encouraged to continue with hobbies and interests and to learn new things.

“

Kenneth

I offer my gratitude to Cavendish Park for their professionalism in caring for my wife. She was extremely happy in her surroundings, probably the best decision in my life in placing her in this nursing home.

A light and spacious fitness studio is perfect for our famous 'move and groove' sessions or a spot of yoga to work the body and calm the mind.

Our hair salon and elegant relaxation and beauty rooms allow loved ones to enjoy a moment of pampering and visits from our physio.

We've even got an opulent spa bathroom for a luxurious soak in the bath.

Activities and wellbeing

Through innovation and creativity, and using award-winning resources, our talented Activities team bring everyday happiness, love, and friendship to ensure loved ones enjoy a rich, inspiring, and fulfilling life at Cavendish Park.

From time spent 121, an activity shared with friends, entertainers, or a visit to a local attraction, our magical team provides varied, stimulating, and engaging activities.

We are dedicated to encouraging choice and independence to keep the soul and spirit young, mind active and the body moving.

Overlooking fields and neighbouring villages, french windows open onto sun-kissed terraces on every floor. With raised beds and potting sheds for green-fingered residents, many an afternoon is enjoyed outside.

Beautifully landscaped gardens and sun-kissed terraces

Leading in innovation in care

At our Evesham home, we're passionate about innovation in care.

We've invested in advanced digital care planning complete with a 'Relatives Gateway' to allow families to stay connected and engage in the care we provide.

Throughout each bedroom, we have acoustic monitoring so when we're needed, we can immediately respond and if not, loved ones can enjoy a safe and undisturbed night's sleep.

We have the incredible Jelly Drops, a revolutionary way to keep loved ones hydrated. From robotic companion pets to interactive driving experiences, virtual reality and the amazing new 'Hug' for our memory care community, you can be assured that we're always looking for new ways to care for your loved ones and fill their lives with wonder and happiness.

Alexa Smart Properties for Senior Living

We are incredibly proud to be one of the first care groups in the UK to introduce Alexa Smart Properties for Senior Living at Cavendish Park.

Developed to enable our residents to feel more informed, independent and connected, through simple voice commands, loved ones can use Alexa to easily connect with family, friends, and our teams who are caring for them.

Empowered by a new independence, residents can keep up-to-date with current affairs, research hobbies, and interests, and listen to the radio. They can enquire about upcoming activities in the home, ask for a drink, elevenses and even ask what's on today's menu!

And fundamentally, they have a new, easy way to call & video call family and friends. 

We've implemented PainChek, a revolutionary way of using smartphones, to assess levels of pain and discomfort. Using AI and facial recognition technology, PainChek is clinically proven to help our care teams understand and manage a loved one's level of pain. We're able to provide even more effective pain management to residents in our memory care community or those who are unable to articulate their pain.

A 'hub' for our local community

From the moment we opened our doors, we became a 'hub' for the local community in Evesham. Visting toddlers groups and local schools bring a magical interaction between generations and we always love a visit from our local furry friends!

We are proud to support Evesham's Dementia Action Alliance and local church groups. Fundraising for our local Royal British Legion and friends at the Freedom Day centre, will always be important to us.

The happiness and vibrancy of Cavendish Park shines brightly within our local community.

Community Pantry

Alongside providing a meeting place for our local community groups we have our Community Pantry, located at the entrance of the car park.

It's our way to give back to local friends and families, whether we have homegrown plants, an easter craft kit, or everything you need for a warming Winter soup, it's our gift to you.

Just a few of our awards
